

## Paper-4

(English)

80 Marks

Q - 1(A). Read the extracts and answer the questions :

(Marks - 10)

- Thus, Kach began to live with Shukracharya. Because of his keen devotion and good service he won the favour of Shukracharya. Kach was young, handsome and very intelligent and no wonder Devayani fell in love with him at first sight. But Kach was a student and he could not respond to her love.
  - How did Kach win Shukracharya's favour?
  - What made Devayani fall in love with Kach?
- Ram Singh - 070 followed Prem Chopra like a faithful dog when he stopped at Gopal Jewellers. Through the glass window he saw generous display of gold ornaments. Quickly Prem Chopra disappeared around the corner and spoke into the remote control - softly and clearly. "Pick up a necklace and hide. No noise. Information not to be revealed. Top secret. Otherwise I will defuse your system," he threatened.
  - From where did Prem Chopra steal ornaments?
  - Which instruction were given to the robot to pick up the necklace?
- Dr. Mrs. Shelat : Well it is quite normal at this age for students to get tempted to play and watch TV. However, there should be a time limit for the same. What I personally feel is, total avoidance of games and TV is, not the solution. In fact that is cruel and unnatural. Rather, parents should make sure that there is a balance between study and play hours. Games, music and entertainment are quite essential for physical and mental health. They help reduce stress.
  - What according to Dr. Shelat, is quite natural for the teens / students ?
  - What is quite cruel and unnatural, according to Dr. Shelat ?
- He stood straight, saluted, and held the book towards the woman. As he spoke, he thought how different she was from the girl he had expected.

I'm lieutenant John Blandford, and you - you are Miss Meynell. I'm so glad we could meet. May I take you to dinner?

A smile appeared on the woman's face. "I don't know who you are, young man," she answered. "That young lady in the green suit asked me to wear this red rose on my coat." She also said, "if the invites you to dinner, tell him I am waiting at the restaurant across the street," and added, "it is a test of some kind."

  - What did Blandford think while speaking to the lady ?
  - What did Blandford offer the lady ?

- "Her all parts should be movable and replaceable too. She has a lap that disappears when she stands up. I have to put a kiss that can cure everything-from a broken leg to a broken heart. Moreover, she has to have six pairs of hands. She is able to run on any food available..... and..... should have three pairs of eyes."
  - What is special about the lap?
  - What is the strength of a mother's kiss?

Q - 1(B). Write a short note focusing on the questions :
